

MOCKUPS

1. Zoznam pacientov

2. Detail pacienta

A mobile application interface for viewing patient details. The screen is divided into a header bar and a main content area. The header bar is blue and contains a back arrow, an edit pencil icon, and a delete trash icon. The main content area has a light blue background and displays patient information in a list-like format. On the left, there is a placeholder for a patient's profile picture. The information is organized into sections: personal details (First Name, Last Name, Birth Date), medical data (Blood Type, Last Glucose), and allergies (Allergens). The allergies are listed with checkboxes and numbers, indicating a selection process.

3. Úprava pacienta

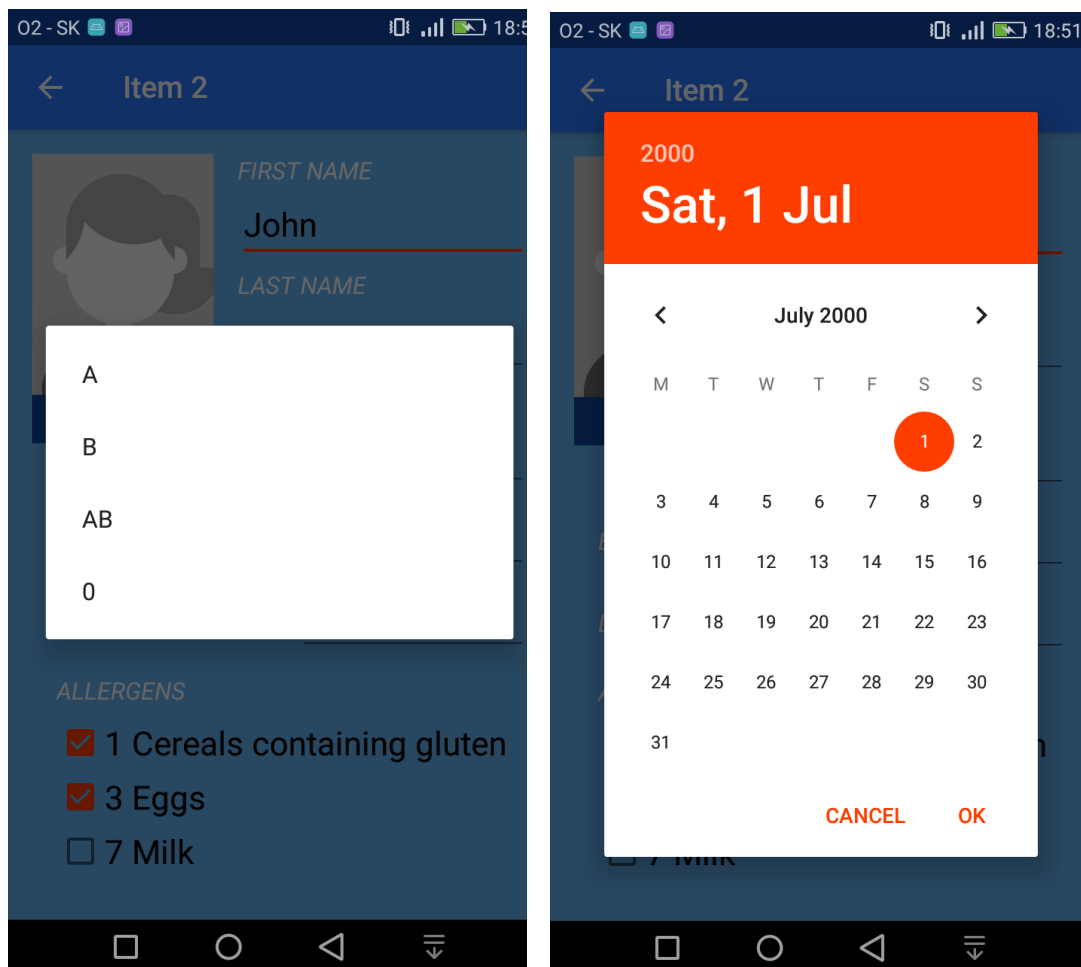

The image shows a mobile application interface for editing a patient's profile. The interface is displayed on a smartphone screen with a white border. At the top, there is a blue header bar with a white checkmark icon on the left and a white 'X' icon on the right. Below the header, the form is divided into several sections. On the left side, there is a placeholder for a patient's profile picture, showing a generic person icon. Below the picture is a blue button with the text 'CHANGE'. To the right of the picture, the form contains the following fields: 'FIRST NAME' with the value 'John', 'LAST NAME' with the value 'Doe', 'BIRTH DATE' with the value '2018-02-21', 'BLOOD TYPE' with the value 'A', and 'LAST GLUCOSE' with the value '4.2'. Below these fields is a section titled 'ALLERGENS' which contains three items: '1 Cereals containing gluten' with a checked red checkbox, '3 Eggs' with a checked red checkbox, and '7 Milk' with an unchecked checkbox. The entire form has a light blue background.
